10. REPORTS

10.i Work Cooperatives

The Executive Officer reported he had briefed the Minister and arranged a deputation for discussion with the Director, Department Employment & Training on the subject of the State Government's Cooperative Development Programme. The programme which has received Cabinet approval is currently held up in its implementation by the State Treasury. The programme includes provision for appointment of a Cooperative adviser to work from the offices of the Cooperative Federation of Victoria.

Mr. Gill reported the first Newsletter for the Work Cooperative Group had been issued in February; copies were tabled.

The first State Conference for Work Cooperatives is now being planned for May 1981.

Council agreed to Mr. Gill's recommendation

*that the Committee of Work Cooperatives affiliated with the Cooperative Federation be the body responsible for policy on disbursement of funds allocated by the State Government for specific Work Cooperative projects and that the Cooperative Federation of Victoria be accountable to the Government for these funds.*

10.ii Advisory Council

Mr. Long reported that the next meeting of the Advisory Council is scheduled for 19th March 1981. Matters for consideration include re-location of the Registry and the draft proposals for a new Co-operation Act and its introduction into Parliament.

10.iii Cooperative Federation of Australia

Mr. Macintosh reported the Council of the federal body met from 9.30 a.m. to 2.30 p.m. on Monday, 16th March. Matters discussed included progress on the Fleet Vehicle purchase scheme. Positive indications of use of the scheme along the lines of numbers of vehicles advised are required before a package deal can be prepared by either GM-H or Ford.

The C.F.A. Council agreed a joint Committee of that body and AFCUL should meet to discuss closer working relationships. The meeting is proposed for the last week in April and a nomination to the Committee from Victoria was requested.

*It was agreed the nominee would be Mr. O. J. Slattery with Mr. E. J. Long to act as alternate.*

Mr. Maybury addressed the meeting on the subject of a Cooperative Financial Institution, needs and relationships of Building Societies, Credit Unions and other Cooperatives.

12. CLOSURE

There being no fur

the meeting received indications of likely funds to finance the C.F.A. in the financial year commencing 1.7.81. Four State Federations, excluding Victoria, offered a total of \$10,000 including \$3,000 from Western Australia. This leaves a short-fall of about \$30,000 from anticipated expenditure on the current basis of operations.

The C.F.A. Council considered two alternatives to meet this situation:

- (1) Terminate the present agreement with the Cooperative Federation of Victoria for joint secretariat operation. The Cooperative Federation of Victoria take over the fixed assets of the C.F.A. and provide part-time services for the C.F.A. covered by the indicated income
- (2) The Executive Officer, C.F.A., be seconded for six months from 1.7.81 to an international training seminar project funded by the Commonwealth Government and organised by the Cooperative Federation of New South Wales.

Council of the C.F.V. recorded its concern at this situation and agreed:

- (a) to form a Committee comprising Messrs. Macintosh, Slattery and Rundle;
- (b) to examine in detail these proposals;
- (c) to consider immediately their likely effects on the future of the C.F.A., the C.F.V. and the personnel concerned;
- (d) to submit proposals for financing the C.F.V. in the financial year commencing 1/7/81;
- (e) to meet again at 5.30 p.m. on 31st March 1981 to consider a report from this Committee.

11. NEXT MEETING

This will be decided on 31st March 1981.

12. CLOSURE
